(Code 1981, § 15.54; Ord. No. 06-01; Ord. No. 08-02, 1-7-2008; Res. No. 15-13, 7-14-2015)

**Sewer Adjustment / Maintenance Procedures.**

- 1) After proper notification by a customer, which must be received no later than thirty (30) days after a leak or swimming pool fill/refill, the City of Wills Point will provide a one-time per calendar year adjustment to a customer's sewer charges. There will be a 30,000 gallon usage cap on each sewer adjustment made for any reason. The City will calculate and consider the customer's average monthly usage in determining the proper sewer adjustment for the leak/swimming pool fill/refill.
- 2) A \$75.00 service fee shall be charged to all customers contacting the City for a City sewer service call received during normal business hours (8:00 a.m. – 5:00 p.m. Monday -Friday) when the City determines sewer stoppage is on private property and not on the City main sewer line in the public right-of-way. A \$150.00 service fee shall be charged for all after hours and holiday sewer service calls.
