

The City Staff and Elected Officials have been constantly monitoring the Coronavirus Disease (COVID-19) outbreak. We have determined it is in the best interest of our citizens and staff to **close all city facilities to the public as of 12:00pm (noon) today, March 18, 2020.** This includes the city hall, community room, depot, police department, and all parks.

We understand this measure may place an undue burden on local citizens and appreciate your understanding as we put the health of our employees and citizens first. The City of Wills Point will remain ready and willing to assist our citizens in any way possible during this time.

Essential employees remain committed to maintaining city services and will answer office phones during regular office hours (Monday thru Friday, 8:00am – 5:00pm). After Hours/On-Call phone for sewer and water issues will be answered 24/7.

Payments for court and utilities are always accepted by bank draft, through the payment link on our website at www.willspointtx.org, or in the night drop – check or money order preferred (located on the west side of the building at 518 Houston Street). Employees will monitor the night drop daily and post payments.

Applications, transfers, permitting, etc. can be handled through e-mail or fax.
